

The Suez EWC adopted its opinion on the Merger of the Services activities during its debriefing meeting 24 October

Suez EWC demands consultation and more information on reorganisation Services

The merger between Gdf and Suez will also lead to a merger between the energy services companies, principally Elyo/Fabricom/GTI and Cofathec. The EWC discussed this and adopted a statement on 24 October. It asks to be better informed and that consultations will continue on the implementation of the mergers. Please find the statement
