

Gdf Suez SNB makes good progress, final negotiations 7 April ?

The SNB considered the proposals made by management to its earlier text. There are a number of important issues which are outstanding such as a precise definition of consultation, the number of members in the EWC and the resources for the EWC to do its work. The next meeting will take place 7 April with management and could lead to a final result. The meeting took place 1-2 April 2009, Paris The EPSU Deputy General Secretary participated in the meeting and assists the SNB.

For more information contact the member of the SNB from your country or the EPSU Secretariat.
