

Firefighters demonstrate over right to early retirement

 [Spain](#)

The CCOO, UGT and PUB union organisations have called a national demonstration of firefighters on 24 May in support of their demands for earlier retirement. The unions have been pushing for earlier retirement for over three years but have yet to secure agreement from the Ministry of Labour and department of social security. Following a meeting on 16 May the unions agreed to continue talks with the government but decided to mobilise for the national demonstration as well. Unions want the right to retire from the age of 55.
