

"On the Offensive" - ETUC rolls out strategic action plan 2007-2011

(7 December 2007, Brussels) The European Trade Union Confederation has today published the "Strategy and action plan 2007-2011" - adopted by the 11th ETUC Congress in Seville. This report is available in three languages: [English](#), [French](#) and [German](#). The report outlines the ETUC's plans under the general banner "On the Offensive". The report concentrates on ETUC action in the fields of; social dialogue; a social labour market; effective economic governance; and a stronger social Europe. As part of the post Seville congress action, the ETUC has also published the revised ETUC constitution. Amended by the 11th ETUC Congress in Seville, the constitution is available in two languages: [English](#) and [French](#)
