

New report from UNISON "Procuring employment rights" (May 2012)

Protecting Public Service Workers - Procuring employment rights A Report by Margie Jaffe, May 2012

The UNISON report below, written by Margie Jaffe, looks at:

- The global and EU origins of the marketisation of public services
- The impact of procurement regulation and marketisation on employment
- Positive procurement agendas
- Existing employment protections
- A trade union agenda for getting decent employment standards for outsourced workers
