

Call for more childcare workers and increased investment

 [Italy](#)

(May 2016) The three main public sector federations - Fp-Cgil, Cisl-FP and Uil-Fpl - organised a national mobilisation on 19 May as part of a campaign to improve and increase childcare services and the pay and conditions of childcare workers. The unions have raised concerns about inadequate staffing levels, too few nurseries, particularly for the 0-3 age group and precarious working conditions for childcare workers. They have called for an urgent meeting with the government to discuss these issues. Read more at [Fp-Cgil \(IT\)](#)
