

# **Waste workers step up action**

 [Italy](#)

(July 2016) Workers in the waste sector, will take two days of strike action on 11-12 July in their continuing campaign over pay and conditions and health and safety. The unions, FP-CGIL, Fit Cisl, UilTrasporti and Fiadel, have already organised industrial action on 30 May and 15 June calling for a new collective agreement. The previous agreement expired at the end of 2013. The unions also want action to improve health and safety for the 100000 workers employed in both public and private waste sectors.
