

Unions express support for planned strike at care company

🇩🇰 [Denmark](#)

(August 2016) Unions in the LO trade union confederation, including 3F, HK and Dansk Metal are committed to solidarity action with the FOA public services union with its planned strike at the DK-Pleje care company on 1 September. FOA has called the action in protest at the company's refusal to negotiate and its failure to implement the relevant collective agreement. FOA says the company is paying lower hourly rates as well as cutting back on overtime, on-call and other payments. Read more at [FOA \(DK\)](#).
