

Joint union protest in non-profit social services

 [Belgium](#)

(March 2017) Unions organising workers in the non-profit social services came together in a major demonstration in Brussels on 21 March. The unions want to see urgent action to tackle major problems facing the sector - poor pay, understaffing and excessive workloads leading to burnout for many workers trying to maintain services in impossible conditions. The unions want to negotiate a new agreement for the sector which addresses pay and working conditions but they also underline the link between quality employment and delivery of quality services. EPSU sent a message of solidarity.
