

[Prison unions continue strike action despite legal challenge](#)

 [Spain](#)

The trade unions representing prison workers, including EPSU affiliates ACAIP-USO, FSC-CCOO and FeSP-UGT, are continuing their strike action over pay despite attempts by the prison service to get the action declared illegal. The unions reported massive support for the first two days of strike action on 25-26 October. Further action had already been planned for 10-13 November but the unions had to counter the legal challenge by the employers and so have agreed that the next four days of action will run from 17-20 November.
