

[Childcare union launches campaign on workplace clothing](#)

 [Hungary](#)

The BDDSz childcare workers' union has launched a photo campaign to highlight the failure of many workplaces in the sector to provide appropriate workplace clothing for employees. The union points out that this is a legal duty and all the more important during the current COVID-19 pandemic. According to the union some 40% of institutions are failing to abide by the law, rising to 70% of those involved in child protection.
