## [Spain](#)

The ACAIP-UGT, CCOO, CIG y CSIF trade unions representing prison staff have met with the interior minister and head of the prison service to discuss progress with legislation foreseen for 2021. The new law should include several key demands that unions have been campaigning for in recent years. These include a reform of the prison system and harmonisation of jobs across the sector, along with a reclassification of certain posts in the public sector pay structure to reflect the complexity of tasks in prison staff occupations.
