

[Pay rises for workers in general health practices](#)

[Netherlands](#)

The [FNV](#) and other unions representing health staff have negotiated a new agreement covering workers in general practice that will run from the beginning of 2022 to 1 January 2024. In May 2022 there will be a pay increase of 3% for the lower pay scales (1-9) and 2% for those pay scale 10 and above. The end-of-year bonus will be increased by one percentage point to 7.5%. In May 2023 there will be a general pay increase of 2.6% and the end-of-year bonus will be increased to 8.33%. There have been a number of other changes in relation to registration fees and training and further work to address unclear or outdated elements of the collective agreement.
