The [GPA](#) and PRO-GE trade unions have negotiated a new collective agreement that provides an annual pay increase from 1 February of at least 3.6% with lower paid workers getting up to 4.0%. This takes the minimum monthly salary in the sector to €2,069.52. Allowances will increase by 3.85% while pay for apprentices will go up by an average of just over 6%. Other elements in the agreement include how previous periods of services are credited when workers are transferred to other employers and an increase of the overtime supplement to 50% for part-time workers.
