## [Bulgaria](#)

The Federation of Health Unions ([CITUB](#)) and Medical Federation (Podkrepa) have signed a new collective agreement with the ministry of health that will run until April 2024. There are substantial pay increases on monthly salaries for doctors and nurses which both the trade unions and government hope will attract new workers to the sector and encourage them to remain in the country. Doctors will get an increase of BGN 800 (€400) with BGN 550 (€280) for health professionals and BGN 200 (€100) for nurses. Minimum salaries will now be BGN 1900 (€970) for specialist doctors, BGN 1500 (€765) for health professionals and BGN 900 (€460) for nurses.
