DEMONSTRATION
9 DECEMBER 2022 | BRUSSELS | 11.00

EPSU
EUROPEAN PUBLIC SERVICE UNION

9 December 2022, Brussels

Delegations of health and care workers across Europe will join an EPSU action on 9 December in Brussels. We are demanding that health ministers put our concerns on their agenda. On December 9th takes place a European Council of health ministers.

They do not seem to understand the urgent need to tackle the lack of staff across Europe and the risk that health and care systems are on the verge of collapse. We call on all that can to join us!

The demonstration will be held from 11.00 to 14.00. It will start around the Madou metro station and end at the Schuman roundabout (close to the European Council)
