

Major conference sets out key demands in public administration

Portugal

Over 500 delegates took part in a national conference organised by the [STAL](#) trade union on 20 September to reaffirm priority demands on pay, career development, working conditions and stronger public services. The activists also underlined the need to intensify mobilisations to achieve these objectives. The meeting endorsed the demands set out by the CGTP-IN confederation for 2024, including a 15% increase in wages, with a minimum of €150 for all workers; an increase in the national minimum wage in public administration to €910 in January 2024, reaching €1000 later in the year; a standard 35-hour working week; an end to precariousness in the public and private sectors; and the reinforcement of investment in public services.
