

[Union network calls for better protection for migrant care workers](#)

🇨🇭 [Switzerland](#)

(March 2017) The vpod public services union has a special network set up four years ago campaigning for better protection for migrant care workers. The union argues that the federal government is well aware of the level of exploitation of this group of workers but has failed to take any measures to regulate this area of work. Recent press reports have highlighted the situation facing care workers and the lack of legal protection.
