

# **Striking cleaners take protests to investors**

 [U.K.](#)

Striking cleaners, members of the Unite trade union, working at four London hospitals have taken their protests to the heart of the City of London. They are making their voices heard as their employer, the outsourcing company Serco, announces its latest profit figures. In one of the biggest ever strike actions by cleaners, the workers are highlighting excessive workloads and levels of pay so low that many have to take second jobs to make ends meet.
