

## **EPSU briefing on the conclusions on migration reached at the EU Summit of 28th - 29th of June**

(13 July 2018) Once again the EU governments decided to do very little to protect vulnerable people, and to do a lot more to strengthen and outsource border control.

What is emerging is a very unsettling push-back of non-white, non-Christian refugees and migrants.

In view of EU leaders' tougher stance on migration and asylum, more EPSU briefings will follow.
