

Care worker trade unions plan action in March

[Spain](#)

The health and social service federations - CCOO-Sanidad and FeSP-UGT - are planning to mobilise workers in the care sector in March to put pressure on employers to negotiate a collective agreement. The unions will organise protests outside the head offices of the main companies in the sector highlighting the problems in relation to low pay, health and safety and inadequate staffing that face the 250,000 overwhelmingly women workers. The unions are also calling on the government to tackle underfunding of services and to ensure decent working conditions through procurement.
