

## **Public sector pay in line with other countries**

### Ireland

Public service trade union Impact argues that public sector pay in Ireland is line with that in other countries. The union quotes figures from the Organisation for Economic Co-operation and Development (OECD) as well as its own data from a detailed comparison with public sector jobs in Germany. It also points out that comparisons are often made without taking account of the 7% "pensions levy" imposed by the government in 2009.
