To  
Greek workers and employees

## DECLARATION OF SOLIDARITY FROM NBS "VODOSNABDITEL" - CITUB BULGARIA

National Branch Syndicate "Vodosnabdite" - CITUB, express its support and solidarity with the righteous demands of striking Greek workers and employees. Once again, we witness how for past government mistakes and under external pressure, the ordinary people have to pay with their income, social status and jobs. United Europe loses its social image under the shadow of capitalism. The answer can be no other than

**FIGHT!**

There is no other way to answer the unfairness.

**GOOD LUCK BROTHER'S AND SISTER'S! SUCCESS IN YOUR RIGHTEOUS QUEST!**

Treperushka Mladenova,

President of NBS "Vodosnabdite" - CITUB
