

THE PLEDGE

The European Union is founded on the values of respect for human dignity, freedom, democracy, equality, the rule of law and respect for human rights. Trade union rights are human rights. Trade union rights are described in various ILO Conventions, are recognised in the Charter of Fundamental Rights of the European Union and are among the fundamental rights guaranteed by the European Convention on Human Rights.

By signing this pledge, I commit to respect and promote trade union rights in all my work on EU legislation and policy initiatives.

I,..... **pledge to support the respect for trade union rights in Europe**
