Monday 13 June 2022 – 9h30-13h00 CET, online

Dear Colleagues,

We are pleased to invite you to the 6th webinar, which will take the form of a brainstorming on improving the 2010 multisectoral Guidelines on third-party violence and harassment.

It will take place on Monday 13 June 2022 from 9h30 to 13h00 CET – the zoom link will be sent later to all those who register.

Interpretation will be provided to and from English, French, Italian, Hungarian and Spanish.

The agenda and discussion paper are attached.

Based on the previous five webinars and research findings, as well as the discussion paper you will be invited to express your views on the improvements that could be made to the 2010 Guidelines in terms of content, implementation and legal nature.

You will also find in the agenda four questions to guide the discussion during the separate trade union and employer sessions.

For more information, it is reminded that the reports of the previous webinars are available (in EN) here

To register online, please follow this link. The deadline for registration is 10 June 2022.
This is the sixth webinar as part of our joint project with CEMR, CESI, ETUCE, EUPAE, ETF, UITP, and ETNO on the role of social partners in preventing third-party violence and harassment at work, which will run until February 2023.

The project including the research carried out by Jane Pillinger focuses on the following sectors: hospitals, prison services, employment services, front line workers in local and regional government, secondary schools, urban public transport as well as telecoms.

Hoping you will be able to join the event.

Best regards,

Jan Willem Goudriaan
EPSU General Secretary
