

Prague 22 September 2016

Dear ladies and gentlemen, colleagues, friends,

we greet you in the name of Czech affiliate Trade Union of Health and Social Care of Czech Republic and we express clear support to your today's Assembly.

Same like you and EPSU we reject draft Comprehensive Economic Trade Agreement between Canada and the European Union - CETA - and draft of the Agreement Transatlantic trade and investment partnership between the USA and the European Union - TTIP.

Fundamental rejection of both agreements is logical from our site. Trade Unions in all countries defend the rights of employees and unionists, they are defenders of democracy.

Drafts both of agreements restrict democracy and worsen the status of citizens, unionists and employees against the business corporations.

CETA and TTIP open the area for further liberalization and privatization of public services, with which we fundamentally disagree.

Therefore we call NO CETA, NO TTIP!

Only with common solidarity approach we will defend worsening conditions for our life!

We are with you!

for Trade Union of Health and Social Care of Czech Republic
