## [Norway](#)

(April 2017) Workers employed by a range of companies providing private and public services, including health and social care, are set to benefit from a new pay deal negotiated with the Spekter employers' organisation. There will be a basic increase of NOK 975 (EUR 110) a year with an additional NOK 2925 (EUR 320) for employees earning less than NOK 407265 (EUR 44820). In addition to these general increases there will be local pay rises that will be negotiated in the weeks up to the beginning of May.
